TMHD Launches New Website

The Trumbull Monroe Health District is excited to announce the launch of their new website. The website has been redesigned to enhance programs and services offered by your local health district. Stay current with the latest information on public health topics. Visit www.tmhd.org today!

The new site provides users with a comprehensive list of TMHD programs and services, current fee schedules, news releases and product recalls, as well as a calendar of events for public health clinics and programs.

“We are delighted to launch our new website,” said Patrice Sulik, TMHD, Director of Health. “With its fresh look, we are confident that visitors of all ages will find it aesthetically pleasing and easy to navigate. We will continue to modify the site and ask that residents visit frequently for the most current public health information.”
